

**INTEGRAL COACH FACTORY, CHENNAI - 600 038**

**PRESS RELEASE**

**Date: 01.01.2019**

**New General Manager takes over additional charge at Integral Coach Factory (ICF) on 01.01.2019 (Tuesday)**

Shri Ajay Kumar Singh, IRSME, has taken over as General Manager, ICF, on 01.01.2019, after the retirement of Sri S. Mani, GM, ICF, who demit his office on superannuation on 31.12.2018. Shri Ajay Kumar Singh is at present the General Manager of South Western Railway, Hubballi, and will be holding the additional charge of GM, ICF, till further orders.

Born on 21st March 1961, Shri Singh is a Graduate in Mechanical Engineering from AMIE (India) under Special Class Railway Apprentices Scheme/Jamalpur. He joined Indian Railway on 5th March 1983.

An Officer of 1981 batch of Indian Railways Service of Mechanical Engineering (IRSME), Shri A.K. Singh has held various important posts on Indian Railways, such as Principal Chief Mechanical Engineer in North Eastern Railway/Gorakhpur, Chief Workshops Engineer and Chief Motive Power Engineer in North Eastern Railway/Gorakhpur. Divisional Railway Manager of Jabalpur Division of West Central Railway, Chief Mechanical Engineer/Planning in North Frontier Railway/Guwahati, Chief Workshop Manager of Workshop of North Central Railway at Jhansi, and also as a Officer on Special Duty at Southern Railway, Chennai.

Shri Ajay Kumar Singh has undergone training for Senior Managers at Carnegie Mellon University in USA and Computerized Measuring Machines in Germany.
