**PRESS RELEASE**

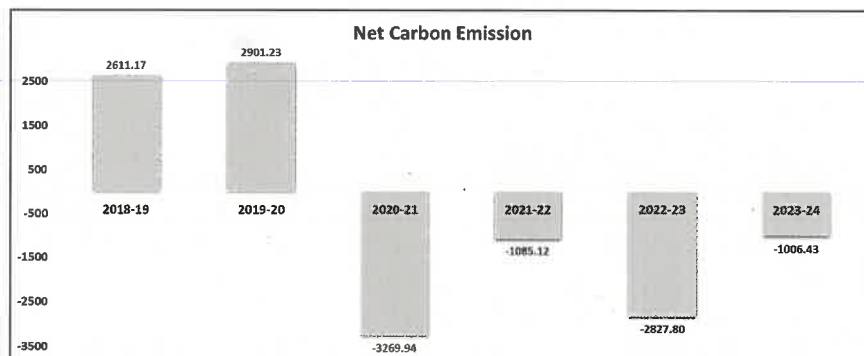

**Award - Excellent Energy Efficient Unit by M/s CII.**

ICF has been awarded the **Excellent Energy Efficient Unit** at the 25<sup>th</sup> edition of the CII National Award for Excellence in Energy Management, Hyderabad. With 660 participants from 12 sectors, ICF has been recognized with this prestigious award for its outstanding contributions in the area of Energy efficiency under the Automobile, Engineering & Railways Sector. Mr. Anil Siddhartha, Chief Electrical General Engineer and Mr. V. M. Govindarajan, Deputy Chief Electrical Engineer, received the award on behalf of ICF, which was presented by Mr. P. Ravichandran, Chairman of the CII Tamil Nadu State Council.

Participants were assessed by an expert jury based on the criteria such as Company Overview, Production technology and process involved, Energy Consumption pattern Energy Conservation measures taken over the period of last 3 years, Specific Energy Consumption (SEC) and its Internal & External Benchmarking, Innovative projects, Utilization of Renewable Energy, Reduction of Green House Gases Emission (GHG), Waste Management Practices, Green Supply Chain, Energy Management System and Net Zero Commitments of the organization.

ICF being a forerunner in the Utilization of Renewable Energy through its Windmills, On Grid Rooftop Solar Plants, became Carbon Negative Factory in a narrow band width from -3269.94 to -1006.43 ton of Co2 as a result of sustained Net Zero emissions since 2021 surpassing Indian Railways Target year 2030 on attaining Carbon Neutrality. The overall specific energy consumption ( Kgoe/equated coach unit) is reduced to 248.79 Kgoe during the year 2023-24 as against 288.59 over the previous year a reduction of 16% in SEC through implementation of various best technological practices in the area of Energy Efficiency resulting in this achievement.

Shri U. Subba Rao, General Manager/ICF, congratulated the staff and officers of ICF for this excellent achievement.
