PRESS RELEASE

Date: 23.10.2024

ICF UNVEILS VANDE BHARAT SLEEPER VERSION

Integral Coach Factory, Chennai has been turning out swanky trains called Vande Bharat Express since 2018. So far, 77 Vande Bharat trains are in operation across the country with only chair car facility. ICF is introducing the sleeper version of its flagship Vande Bharat train for long distances involving night travel. Today, ICF unveiled first of the train rake with all AC sleeper coaches to the media.

This train is similar to Vande Bharat chair car trains, but with improved safety features. The coaches have been fitted with best-in-class interiors with GFRP panels, Aluminium extrusions berth frame with polyurethane foam cushion, bio-vacuum toilets with touch-free amenities, etc., to make travel not only comfortable but also more pleasant.

The Vande Bharat Sleeper version is presently under commissioning at ICF and will be despatched from ICF for further trials by RDSO.

Shri U. Subba Rao, General Manager of Integral Coach Factory briefed the features of Vande Bharat Sleeper to the Media.
