Office of the PCE
Date: 31.08.2023

AUCTION NOTICE

TERMS AND CONDITIONS FOR AUCTION

1.A Public Auction for sale of about 120 Metric Tonnes(Approx) of dried/dead trees/root decayed trees and wooden logs (Except teak wood and Sandal wood) available at the following locations

1	Eastern side of SSE/W/General	3	Near Western side of Gents Rest Room upto coconut tree
2	Near SSE/Afforestation Ladies Rest Room	4	Southern side of 100 KLD STP main gate

in SSE/Afforestation and SSE/W/GL campus of the ICF Estate. The date of auction will be on 06.10.2023 at 10.00 hrs. at SSE/Afforestation office of ICF. The Reserve Price is Rs. 1,050/- (Rupces one thousand and fifty only) per Metric Tonne. Those who are interested in bidding in the auction are requested to be present at the site well in time before the conduct of the auction. GST is applicable at 5%.

2.The ICF Administration does not accept responsibility of any kind or assistance for the cutting and removal of the trees/roots from the area and the successful bidder will have to make his own arrangements for the same. The successful bidder should bring his men, tools and plants, machineries like crane, JCB, Lorries etc. for cutting of trees and branches duly ensuring all the safety precautions. The Administration reserves the right to accept or reject the higher or any bid without assigning any reason on Administrative ground.

3.The contractor/bidder has to arrange his own labour for loading, unloading and transportation from the site to his place where it has to be transported.

4.The mode of disposal is by weight only. All parts of the tree including trunk, branches etc will be weighed and rate quoted is uniform for all parts (i.e. length, diameter, etc.,) and for all varieties of trees.

5.For this purpose the empty weight of the truck/Lorry and weight of the truck with loaded logs will be weighed at the weigh bridges of ICF either in Shell factory or Furnishing factory.

6.The tendering bidders should inspect the area, the nature and conditions of the Dried /dead trees/ root decayed trees and wooden logs available at the above locations in SSE/Afforestation and SSE/W/GL campus before they take part in the bidding.

7.The bid amount should be paid by the successful bidder along with 5% of GST in a single installment and the same should be paid within 10 days from the date of issue of LOA. Only after payment of the entire bid amount, the bidder will be allowed to draw the Dried /dead trees/ root decayed trees and wooden logs.

8.SSE/Horticulture should ensure that at any time and date, there should not be drawal of the Dried /dead trees/ root decayed trees and wooden logs more than the money value deposited by the successful bidder. If the successful bidder delays in drawing the material after the completion period, extension will be permitted by imposing a penalty of Rs.50/- per day at the discretion of ICF Administration considering the genuinity of the reasons.

9.The work of cutting and removing the Dried /dead trees/ root decayed trees and wooden logs should be completed within a period of 90 days from the date of issue of LOA, failing which the left out Dried /dead trees/ root decayed trees and wooden logs will be cleared by the department by other means and no amount will be paid to the successful bidder for the quantity left out by him and in such cases any amount available with ICF Administration will be forfeited.

10.The successful bidder should indemnify the Railway Administration from any liability that may arise from the operation of workman's compensation Act from injuries sustained by him or his workmen in the course of cutting and removal of the Dried /dead trees/ root decayed trees and wooden logs from the Railway premises.

11.The successful bidder should weigh the Dried /dead trees/ root decayed trees and wooden logs at the weigh bridges of ICF either at Shell factory or Furnishing factory and the same should be witnessed by representative of SSE/W/Horticulture of ICF and the weighment slip should be issued by SSE/W/Horticulture of ICF .

12. The successful bidder will have to start taking the Dried /dead trees/ root decayed trees and wooden logs without giving any preference for size and Girth and also there should not be any pick and choose of the dried/dead trees /root

decayed trees and wooden logs. The items should be taken on as is where is condition. The removing of Dried /dead trees/ root decayed trees and wooden logs from the site by the successful bidder as per the above conditions should be ensured, regulated and monitored by SSE/W/Horticulture.

13. Entrance fee in the form of DD for Rs.10,000/- in favour of " FA&CAO/ICF" ,ICF,Chennai – 600 038 from any of the Nationalized /Scheduled Banks to be submitted for participation in auction . The DD will be retained as Security Deposit for the successful bidder and will be refunded only after the successful completion of the work. The DD of all the unsuccessful bidders will be refunded back on the spot itself. The person willing to participate in the auction as a representative of a firm/agency must furnish a letter of authorization from the firm on its letter head, authorizing him to attend the auction. The bidders or the representatives of a firm participating in the auction should provide a copy of the as on date valid identity proof, such as Aadhar Card, PAN Card, Voter Identity Card (EPIC) or Motor Vehicle driving license . The same will be verified with the originals brought by the bidders or the representatives of a firm participating in the auction.

14. Bidsheet should be signed by the auctioneer and the concerned officer, Deputed by Engineering Department. If the above trees are not cleared within 90 days from the date of issue of LOA, demurrage charges will be imposed as per extant rules.

15. In case the quantity available at site is lesser than 120 MT, the amount only for the actual quantities cleared by the agency will be retained by ICF administration and the balance amount for the shortfall quantity will be refunded to the agency by ICF administration after the successful completion of the work.

16. The successful bidder should get instructions from SSE/W/Horticulture on a day to day basis for the removal of Dried /dead trees/ root decayed trees and wooden logs and the same should be removed in the presence of SSE/W/Horticulture of ICF or his representative.
