The Income Tax Return Form-1 (Sahaj) will replace the 7-page form, removing a plethora of columns on deductions from income claimed. Sahaj can be filed by an individual having income of up to Rs.50 lakh from their salary, house property and interest. Currently, SAHAJ (ITR 1) is filed by salaried employees and ITR 2 by individuals and HUFs whose income does not include income from business. The government has done away with form ITR 2A (used by individuals & HUFs not having income from business or profession and capital gains and by those who do not hold foreign assets).

If the Income Tax Returns are furnished after the due date till 31<sup>st</sup> Dec 2017, a penalty up to Rs.5,000/- will be levied. If furnished after 31<sup>st</sup> Dec 2017, the penalty will be Rs.10,000/-. However, if the income doesn't exceed Rs.5 Lakhs, the penalty will not exceed Rs.1,000/-.
